The Power of Clever Thinking

CIVIC SEDAN

The Honda Civic Sedan.

Poised to perform, and every bit as intelligent as you'd expect.

That's the power of clever thinking.

Civic Sedan Sport shown in Alabaster Silver Metallic.

Ready to be put to the test.

It looks set to pounce – and it is. The Honda Civic Sedan is pure charisma, pairing sleek, coupe-like styling and impressive performance with enviable fuel efficiency and the attention to safety you'd expect from Honda.

Take your seat in the remarkably quiet wrap-around cockpit and feel the technology embrace you. Here you'll find every control at your fingertips, including the Display Audio touchscreen[#] and a suite of safety features set to engage at a moment's notice. Whether it's passive or active safety, the Civic has it covered.

Now touch your foot to the accelerator and feel the advanced i-VTEC engine spring effortlessly into action. Responsive and ready, this is the moment the Civic Sedan has been waiting for.

[#]Available on Civic VTi and above models.
Civic Sedan VTi-L shown in Taffeta White.

QUIET CONFIDENCE.

With beautiful form comes sensational function. The sweeping roofline, sleek windshield rake and low centre of gravity help to optimise airflow for a more aerodynamic ride. Every inch of the Civic Sedan has been designed for smooth performance. There's plenty to talk about, but one look at its refined exterior says it all. First you'll notice its contemporary curves, the distinctive character lines, lean pillars, elegant wing mirrors, and attractive chrome grille. Quite the first impression, you'll be instantly drawn to the way the Daytime Running Lights accent the headlights. Every subtle detail comes together to form a shape that exudes clever confidence, but has no need to boast.

Civic Sedan VTi-L shown in Taffeta White.

Why settle for anything less when you can surround yourself in comfort?

The Civic Sedan may just defy physics. Somehow Honda has created an interior space that appears larger inside than out. Passengers who dream of adequate legroom will be stunned at all the space at their feet, while drivers of all shapes and sizes will appreciate the unrivalled support and comfort of a fully reclining height-adjustable seat.

With seats appointed in a wonderfully soft fabric trim, or luxurious leather^ in the case of the VTi-L and Sport models, the Civic Sedan invites you to shut the door on the world outside. Optimised visibility for both driver and passengers offers a clear view of the sights, while the car naturally dampens those outside sounds. This is achieved with extra-lightweight sound-absorption materials used throughout the cabin, and extra-smooth suspension. Welcome to your new sanctuary on wheels.

^Leather trim includes some non-leather on selected, high impact areas.

Civic Sedan Sport shown.

Everything you need in exactly the right place.

What good is technology if it's not a pleasure to use? Through this founding principle of ergonomic design and clever thinking, every control in the Civic Sedan has been put in easy reach. For example, the dual-zone dash displays the information most important to your drive right in front of you at all times. That makes sense.

The state-of-the-art touchscreen Display Audio system* has all of your infotainment needs within easy reach.

And with the controls right there on your steering wheel, you can search for the perfect soundtrack to your drive without taking your attention off the road. To keep you up to speed, the Sport model also comes with built-in satellite navigation and SUNA live traffic updates^. Here, at the centre of the universe, you'll be amazed at how simple something so highly technical can be.

*VTi models and above. ^SUNA is a registered trademark of Intelematics Pty. Ltd. Coverage includes Melbourne, Sydney, Brisbane, Gold Coast, Adelaide, Perth and Canberra metropolitan areas. Refer to www.sunatraffic.com.au for full details.

Civic Sedan Sport shown.

Display Audio*
Civic Sedan Sport model shown.

State of the art technology at a touch.

The Display Audio system, found in the VTi model and above, brings the power of a compatible smartphone to the large colour touchscreen situated at the heart of the Civic Sedan. With just a tap, you can sync your favourite music or answer a call°. Or you can use the steering wheel-mounted controls, so you'll never have to take your hands off the wheel.

So wherever the Civic Sedan takes you, the sounds and features you love are never far away.

Bluetooth® controls*

USB port

Multimedia system

There's nothing like the perfect tune to complement a beautiful drive. With a CD player and DVD player‡*, USB ports and HDMI® port*, plus Bluetooth® audio streaming°, all the Civic Sedan requires of you is to select a song for the journey. Of course, if you prefer surprises, you can always tune in to your favourite station with the AM/FM radio.

USB/HDMI® connectivity

The Display Audio* system makes browsing any audio library a breeze. With your compatible smartphone or MP3 media device plugged into the USB port, you can view the song title, artist, and even album art if this information is available. Scroll through your playlists right there on screen, or use the steering wheel-mounted controls. The display will even project MP4 video and photos via HDMI® provided your Civic Sedan is in park mode.

Bluetooth® connectivity°

Your smartphone and the Civic Sedan make the perfect pair. With Bluetooth® connectivity°, you can take calls while you keep your hands on the wheel. The Display Audio* touch screen becomes your control centre, allowing you to browse contacts and call history‡, as well as stream tunes straight from your phone's music library. Talk about being in sync.

Built-in Navigation System

The Civic Sedan Sport model comes equipped with built-in Satellite Navigation housed on the Display Audio system. Live SUNA Traffic Updates℠ ensure you are always on the right route.

WMA MP3 MP4 Bluetooth® HDMI® HIGH-DEFINITION MULTIMEDIA INTERFACE

*Available on VTi models and above. ‡Operates only while vehicle is stationary. °Please check the list of compatible phones at honda.com.au/Bluetooth The Bluetooth word mark is owned by Bluetooth SIG, Inc. and use of such mark by Honda is under licence. ℠SUNA is a registered trademark of Intelematics Pty. Ltd. Coverage includes Melbourne, Sydney, Brisbane, Gold Coast, Adelaide, Perth and Canberra metropolitan areas. Refer to www.sunatraffic.com.au for full details. iPod is a trademark of Apple Inc., registered in the U.S. and other countries. HDMI is a registered trademark of HDMI Licensing LLC in the United States and other countries. All other trademarks are properties of their respective owners.

Eyes in the back of your head.

Put the Civic Sedan into reverse and the multi-angle reversing camera in the VTi and above models is instantly at your service. Not just one, but three views ensure that anything behind you is in plain sight. Switch easily between an outstanding 180° wide angle, standard reverse view, or handy top-down mode. With dynamic guidelines to plot your projected path, the outlook is very good indeed.

60:40 split-fold seats

As if there wasn't enough space already, the innovative seating system flips up or folds down to nothing. With one simple fluid motion, you can split the seats 60:40 to accommodate cargo of any shape.

Intelligent-Multi Information display (i-MID)

All models feature i-MID, a clever 5-inch full-colour screen. With a quick touch of the steering wheel-mounted controls, i-MID will feed you a wealth of information about your trip including fuel economy, outside temperature, trip statistics and warnings.

Cruise control

Give yourself a break by locking in your perfect cruising speed and the Civic Sedan will do the rest. Not only will it make your trip a breeze, it will optimise your fuel economy. (VTi-S shown).

Climate control

The VTi-S and above have climate control air conditioning, so all you have to do is set the desired cabin temperature.

Rain-sensing wipers

At the first sign of rain, the intelligent front wipers in the VTi-S and above models know it's time to go to work, adjusting their speed as needed.

Smart keyless entry with push button start

As long as you're carrying your key, the VTi-S and above models will sense you approaching. Touch your door handle and the car automatically unlocks. Take your seat inside and the engine starts at the touch of a button. Magic.

Fog lights

The VTi-L and Sport models both come fitted with an exceptional pair of fog lights, designed to enhance the chrome grille while also offering a desirable safety benefit.

Rear parking sensors

As soon as a car or object is getting close, you'll hear about it thanks to the reverse parking sensors in the VTi-L and Sport models, which make backing up a pleasure.

Retractable mirrors

In the VTi-L and Sport models the adjustable door mirrors are also electrically retractable, allowing you to fold them safely out of harm's way when they're not in use. (Civic Sedan Sport shown).

Paddle shifters

The Civic Sedan Sport driving experience is enhanced with sporty paddle shifters for a race-inspired drive.

Sunroof

Not only does the sunroof on the Civic Sedan Sport open with an easy automatic slide and tilt motion, you can also adjust how much light it lets into the cabin.

Power adjustable front seat

With an 8-way power adjustment, the driver's seat in the Civic Sedan Sport makes it easy to find your perfect driving position every time.

The only thing better than a clever car is one that's fun to drive. Turns out that's one more thing the Civic Sedan is an expert at.

Engine

So often choosing a car involves a trade-off between efficiency and power. But that's not fun. Which is why Honda's engineers have developed the rebelliously efficient i-VTEC engine.

The 1.8 litre engine within the Civic Sedan Vi, VTi, VTi-S and VTi-L models delivers a handsome 104kW at 6500rpm and 174Nm of torque at 4300rpm, and yet wields an economy rating of 6.7 litres per 100km* in the automatic transmission. Meanwhile the impressive 2.0 litre engine inside the Civic Sport uses 7.5 litres per 100km^ while transferring 114kW of power to the road with 190Nm of sheer pulling power.

Whichever of these superb engines drives your Civic Sedan, you'll enjoy the benefits of i-VTEC variable valve technology – guaranteed to bring the power when you put your foot down, while intelligently adjusting the inlet valve timing to conserve fuel on those long, pleasant stretches of road.

Transmission

A clever car wouldn't be complete without clever transmission, and the Grade Logic Control in the Civic Sedan makes it one of the most intelligent automatics on the market. Forget 'gear hunting'. The Civic knows when it's on an incline and adjusts accordingly, making the shock of those jerky up-hill gear changes a problem of the past. The Civic Sport model comes with paddle shifters on the steering wheel to complement the automatic transmission, while the Civic Vi comes with a 5-speed manual transmission.

Power Steering

A fun drive is one that rewards your actions with beautiful reactions. The Civic Sedan's lightweight Motion Adaptive Electric Power Steering (MAEPS) does exactly that. The power assist is applied to match your exact speed. So while you're circling the parking lot, power steering is in full supply. Yet while cruising down the highway, you'll enjoy a more direct feel.

Eco Assist

The Civic Sedan doesn't just drive more frugally – it coaches you to drive more frugally. With Eco Assist, you'll learn to minimise your fuel usage and emissions. Who said that learning can't be fun?

ECON Mode

Touch the ECON button and your Civic Sedan adjusts its engine behaviour, transmission style and air conditioning function to use even less fuel.

In fact, the Civic was built for it. With its perfectly proportioned wheelbase and finely tuned suspension, you'll be astonished at the level of agility and manoeuvrability Honda has made possible.

The other thing you can expect is to use a lot less fuel than you may be used to. You can put that down in part to the variable valve technology found within the powerful i-VTEC engine. And let's face it: saving money on fuel is a lot of fun, too.

Body structure

Nimble and responsive, a combination of MacPherson struts at the front and multi-link suspension at the rear will smooth over any noise or vibration from the road. Add this to the Civic's cleverly engineered chassis setup and you have a vehicle that translates every move you make into pure driving joy.

*The fuel consumption figure is based on ADR81/02 combined test results for Civic Sedan VTi, VTi-S and VTi-L.
^The fuel consumption figure is based on ADR81/02 combined test results for Civic Sedan Sport.

Civic Sedan VTi-L shown in Taffeta White.

IT MAY BE FUN TO DRIVE, BUT THE CIVIC SEDAN IS SERIOUS ABOUT SAFETY. ONLY AUSTRALIA'S HIGHEST POSSIBLE RATING OF 5 ANCAP STARS IS GOOD ENOUGH.

ANCAP Safety ★★★★★

Whiplash mitigating front head restraints

With specific spring range settings in both the seatback and bottom cushions, the Civic's front seats are designed to lessen the severity of neck injuries in case of a rear impact.

Advanced Compatibility Engineering (ACE)

The Civic Sedan has been designed with an innovative body structure, engineered to absorb and deflect the force of a frontal collision away from the passenger compartment, improving the safety of every occupant.

Motion Adaptive Electric Power Steering (MAEPS)

Motion Adaptive Electric Power Steering detects instability and automatically adjusts steering pressure, making it easier to steer in the correct direction.

Airbags

The clever Honda i-SRS driver airbag system inflates at different rates depending on crash severity, seat belt usage and a host of other factors to help keep you safe behind the wheel. Dual front, side and full-length curtain airbags are standard.

Multi-angle reversing camera

The VTi, VTi-S, VTi-L and Sport models all feature a reversing camera, so you'll feel just as safe going backwards as you do going forwards.

Daytime Running Lights

Daytime Running Lights add even more refined style to the Civic Sedan, while ensuring you're more visible to other drivers whatever the conditions.

Vehicle Stability Assist (VSA) with Traction Control System (TCS)

Stay pinned firmly on course even in adverse driving conditions with this technology that detects then corrects potential understeer or oversteer. When necessary, VSA automatically reduces engine power and manages brake pressure to individual wheels to help regain control.

Anti-lock Braking System (ABS), Electronic Brake-force Distribution (EBD) and Brake Assist (BA)

When emergency braking is detected, BA applies maximum braking pressure, activating the ABS system. ABS helps stop the wheels locking under heavy braking, allowing you to maintain steering control whilst EBD works to maintain optimum brake balance.

With its 5-star ANCAP safety rating, the highest possible assessment, the Civic Sedan is one of the safest drives on the market.

Civic Sedan VTi-L shown in Modern Steel.

Select your model and colour.

Civic Vi

The Civic Sedan Vi comes standard with:

- 1.8 litre i-VTEC engine
- 5-speed manual only
- 15-inch steel wheels
- Body coloured electrically adjustable door mirrors
- Body coloured exterior door handles
- Halogen headlights (auto off)
- Daytime Running Lights (DRLs)
- Remote keyless entry with boot release
- Air conditioning
- Cruise control
- Eco Assist and ECON Mode
- Black fabric seat trim
- 60/40 split fold rear seats
- Driver and front passenger illuminated vanity mirror
- Intelligent-Multi Information Display (i-MID)
- Four speaker audio
- AM/FM radio with MP3 compatible CD player
- USB port
- Bluetooth® phone and audio connectivity°
- 5-star ANCAP safety rating
- SRS airbags: dual front, side and full-length curtain
- Advanced Compatibility Engineering (ACE) structure
- Anti-lock Braking System (ABS)
- Electronic Brake-force Distribution (EBD)
- Motion Adaptive Electric Power Steering (MAEPS)
- Vehicle Stability Assist (VSA) with Traction Control System (TCS)
- Whiplash mitigation front head restraints

Civic VTi

Additional features over the Vi:

- 5-speed automatic only
- 15-inch alloy wheels
- Display Audio touchscreen with DVD player^
- Multi-angle reversing camera
- HDMI port

Civic VTi-S

Additional features over the VTi:

- 16-inch alloy wheels
- Auto on/off dusk sensing halogen headlights
- Chrome exterior door handles
- Rain-sensing automatic front wipers
- Climate control air conditioning
- Leather-wrapped steering wheel
- Six speaker audio
- Smart keyless entry and push button start

Civic VTi-L

Additional features over the VTi-S:

- Black leather-appointed seat trim†
- Electric fold mirrors
- Front fog lights
- Piano black trim finish
- Reverse parking sensors

Civic Sport

Additional features over the VTi-L:

- 2.0 litre i-VTEC engine
- Steering wheel-mounted gear shift paddles
- 17-inch alloy wheels
- Mirror-mounted side turn indicators
- Electric tilt/slide sunroof
- Built-in satellite navigation with SUNA live traffic updates≠
- 8-way power adjustable front driver seat

Trims

Black fabric seat trim - Vi, VTi and VTi-S models.

Black leather-appointed† seat trim - VTi-L and Sport models.

You're never alone in a Honda.

Buy a Civic Sedan and you'll be amazed at how well you'll be looked after.

The care starts with a 3-year/ 100,000km warranty and 6-year rust perforation warranty*.

You'll also have access to HondaONE, an exclusive website that gives you up-to-date service history, vehicle records, maintenance tips and service reminders.

Plus Honda have a range of benefits that ensure your Civic Sedan is as pleasurable to own as it is to drive.

Dedicated Honda Care

Servicing your Civic Sedan at a local Honda Dealer will ensure you protect your investment and maximise its outstanding resale value. Dedicated Honda Care provides access to specialist diagnostic equipment and Honda Genuine Parts. There's also the advantage of factory-trained technicians with unparalleled knowledge of Honda products.

Honda Warranty Plus+

Purchase Honda Warranty Plus and your Civic Sedan will be protected with no claim limits and no cost for labour and parts for 5 years or 140,000km (inclusive of New Vehicle Warranty). You'll also be entitled to 5-year Premium Roadside Assist. Visit honda.com.au/warranty for more information.

Honda Insurance^

If you're looking for cover as reliable as your Civic Sedan you really need Honda Motor Vehicle Insurance.

You'll enjoy a range of benefits, including:

- 3-year new replacement if your Honda is a total loss.
- Genuine Honda approved parts for the first 3 years.
- Lifetime guarantee on authorised repairs.

For more information visit honda.com.au/insurance

Honda Finance

Whether you're buying a Honda for yourself or a business, Honda have a wide range of flexible finance and leasing options. So see your Honda Dealer to find a financial solution that suits you as perfectly as your Civic Sedan does. For more information visit honda.com.au/finance

Honda Merchandise

Show your true colours with genuine Honda merchandise. For everything from apparel to travel goods, visit your local Honda Dealer or view the range at honda.com.au/merchandise

For more information visit honda.com.au or Freecall 1800 804 954

*Honda warranties apply where due care is exercised by the owner and the vehicle is maintained in accordance with the Owner's Warranty and Service Manual. Please visit honda.com.au/warranty for full terms and conditions. +5-year/140,000km Warranty Plus is inclusive of 3-year/100,000km New Vehicle Warranty. Please refer to Honda's Warranty documentation for conditions at honda.com.au/warranty ^Honda Insurance is underwritten by Allianz Australia Insurance Limited Licence No. 234 708, ABN 15 000 122 850 (Allianz). In arranging this insurance Honda Australia Pty. Ltd ABN 66 004 759 611 and the authorised dealers act as agents of Allianz and not as your agent. In entering into a contract of insurance for this policy, you acknowledge that the Product Disclosure Statement (PDS), your Schedule and any other document which we tell you forms part of this policy (Policy Documentation), sets out the entire agreement that exists between you and Allianz in connection with this policy. You also acknowledge that you have not relied on any prior representations which are not expressly included in or are otherwise inconsistent with the Policy Documentation. Neither Honda nor any of its related companies have any liability in respect of this policy.
